

# WHAT IS AN ALTERNATIVE CORRIDOR EVALUATION?

**An Alternative Corridor Evaluation (ACE)** is a planning process that is used to identify and evaluate corridors and recommend reasonable alternatives that should move forward to additional analysis as part of the National Environmental Policy Act (NEPA).

## STUDY PURPOSE AND NEED

### System Continuity

- Provides an additional East-West corridor

**Provide additional multimodal options** that support economic development

- Future planned developments
- Complete Street concept

**Maintain consistency** with the Lake/Sumter 2040 Long Range Transportation Plan (LRTP)
